Description

James Bond probably had an iPad™, like, twenty years ago, but we figured we'd make a case for him, just the same. Now, it's your turn to be a secret agent. This mysterious design features a pull-tab that will lift your iPad™ out for you, while doubling as a Velcro securing device. Plus, we fashioned it from faux-leather to look extra sexy and sheik. Sporting this, you'll have a license to thrill.
